

February 7, 2012

Dear Valued Patient,

It is with regret that I send this letter announcing my departure from Meridian Women's Health in April. My husband has been offered a wonderful opportunity in Idaho and we will be relocating to the Lewiston area. My last day in the clinic will be April 3, 2012.

As this may be my last chance to communicate with some of you, please know that it has been a great privilege caring for you over the past eight years. I have seen some of you through high school, college and the start of your careers. You have literally grown up before my eyes! I have also seen many of you through the growth of your amazing and beautiful families. And, of course, I have seen some of you face hardships with courage and determination. I will be leaving with many memories.

Many of you came to know of me through your families and friends. I cannot think of a higher honor than building a practice based on this kind of network. Thank you for your generosity. I do not yet have a plan for myself in Lewiston but I certainly do not want to leave you without a plan.

I encourage you to consider continuing your care with one of my outstanding partners at Meridian Women's Health -- Dr. Pat Rodrigues for gynecology, and Drs. Dawn Frankwick, Carol Salerno and Ali Lewis, for both obstetric and gynecologic needs. They are not only dedicated to providing quality medical care but also a warm, nurturing environment. Your medical records will remain at Meridian Women's Health. If you should decide to transfer elsewhere, please contact our office at 206-368-6644.

Thank you again. I will be thinking of you from Idaho.

Best Regards,

A handwritten signature in black ink, appearing to read 'Danae Vu', is written over a faint, large-scale diamond pattern that serves as a background for the signature area.
